By MERWIN K. HART

President, National Economic Council  
From Council Letter 334

Last fall, a staff member at one of our embassies in Europe told me of the fear, which he said is felt by every foreign service worker of the United States.

He was quite aroused—and I thought a little nervous. He was alien-born, well educated, recently naturalized, spoke with a thick accent, and had a high State Department job. He was violent about McCarthy and only less so about other Congressional inquiries. I wondered why.

When our newspapers report an epidemic of crime, honest men do not exhibit personal fear that they will be suspected. Nor do honest Government employees, whether in the State Department or else-

Senator McCarthy

where, waste their time in fear of investigation. They know that Congressional inquiries are part of the orderly processes of government.

Nevertheless such indignation as my Foreign Service acquaintance exhibited is manifest among certain types in Washington. What reason have they to fear? Of course, Communists and thieves do not like either investigation or investigators. Aside from these, the persons who have been treated "roughly" in recent Congressional inquiries have been very few indeed.

All the manufactured fear and left-wing clamor against exposure cannot hide the overwhelming evidence that a plot exists to reduce the American Republic to a mere province of a world government. There lies our greatest peril.

Terrorism, far more than persuasion, is the weapon of revolutions. Therefore the people of the United States should alert themselves to the various types of terrorism employed by their enemies, domestic and foreign. There are insidious perils to freedom, not yet recognized by many people, because, as Alexander Pope said of evil long tolerated, "... we first endure, then pity, then embrace."

It is the people themselves who have reason to be fearful.

They should be fearful, first of all, of the consequences of the for-the-moment successful smearing of Senator McCarthy. This smearing has been incited under the leadership of the Communist *Daily Worker*. It has been accelerated by such "liberal" newspapers as *The New York Times*, the *New York Herald Tribune*, the *Washington Post* and others. This smear campaign has poured into the press and over the air such a flood of falsehood and misrepresentation—

... "If it had not been for the Un-American Activities Committee Alger Hiss probably would be Secretary of State now, but to show you how the line is being followed, Anna Rosenberg, a little Yiddish woman from Hungary, will now become Assistant Secretary of Defense and will have more power over the lives of the American people than was ever exercised by any American President, God save America."

## BISHOP OXNAM

By REV. BOB SHULER SR.

(The following is reprinted from *The Methodist Challenge* — a militant Christian publication. The address, for those interested, is 1201 South Flower Street, Los Angeles 15, Cal. — Subscription rate, 1.00 per year.)

It is unfortunate that the friends of Bishop Bromley Oxnam are building their defense of the bishop's past activities on the interest being taken by *The Washington Post*, a newspaper well known for its radicalism, its defense of Socialism and even worse and its bitter fight against American efforts, especially through Congress, to defend our country against Russian aggression. Birds of a feather still continue to flock together.

It is also unfortunate that Representative Jackson did not modify his language in referring to Bishop Oxnam. Few who know Oxnam actually believe that he is lined up with the Communist cause. I happen to have known the Bishop for more than thirty years. I have met him in debate and know his stand on this question. Oxnam is not a Communist. He is a Socialist. He is possibly more friendly to Communist ideals than he is to capitalism. He has been for years openly antagonistic

to what is known as the American way. To say that he serves the church on Sunday and Communism the rest of the week is too strong. Therefore Jackson is to be censured.

But the actual and factual record is against the Bishop. He has indeed been associated with too many Communist front groups. He is consistently

## AMERICANS FOR DEMOCRATIC ACTION

This is an organization, successor to Union for Democratic Action, with members derived from Marxist fronts which could not survive exposure. At every opportunity, A. D. A. proclaims they are not Communist. The majority of membership consists of Trotskyites, Fabian Socialists, and A. D. A. supports practically all Marxist moves. A. D. A. has recently succeeded in maneuvering the election of Robert F. Wagner as Mayor of New York and Robert D. Meyner as Governor of New Jersey.

By far the predominant force in A. D. A. is Jewish. Senator Herbert Lehman is no doubt the most influential member. The Chairman of the Executive Committee is Robert R. Nathan, Jew, former chairman of the War Planning Board under F. D. R. When Poland set up a Communist government, they requested the U.S. to lend Nathan to them. Nathan spent many months in Poland setting up the financial structure. The A. D. A. devotes most of its energy in efforts to block Senator McCarthy's investigation of Communists. Why?

## BISHOP SHEIL AND THE INVISIBLE GOVERNMENT

By ELIZABETH DILLING, Chicago

When we were suing the Jewish Sentinel of Chicago for libel (for which they settled in cash), the attorney for the Jews, Augustine Bowe, asked me on the witness stand: "Do you call Bishop Sheil 'Rabbi' Sheil?" "No," I replied, "but most of my Catholic friends do." "Why is that?" he queried. "Well, he is always going from synagogue to synagogue simply drooling over Jews," said I, as the courtroom roared with laughter.

To paraphrase Philipians 4:8: whatsoever things are Talmudic, anti-Christ, deceitful and opposed to his church, if there be any praise, it is for those things. When Sheil blasted his fellow Irish Catholic, recently, Catholics as far as South America were troubled. Senator McCarthy is doing a fine anti-Communist job, a job for which every Christian should be grateful. He and his fellow committee members lean over backwards to be courteous to their abusive Red witnesses. Sheil had no cause to denounce the Senator. His church is the main target of the Reds.

"FIND 50,000,000 CATHOLICS ARE RULED BY REDS." is a typical heading these days. "COMMUNITY OF 102 MONKS WIPED OUT BY CZECH REGIME" is another. In the first account we read that "11,000 priests have been victims of persecution, Vatican statistics revealed today," and that "89 sees (or dioceses) out of a total of 284 are vacant because the bishops were killed, deported, or imprisoned. . . . Also: 'More than 50 million Catholics are living in countries under Communist rule.' That was in 1951 (Chgo. Trib. 7/6/51).

The second account states: "The almost complete obliteration of a community of Franciscan monks related in a report received here throws new light on the Prague regime's plan to destroy all religious Orders in Czechoslovakia" (N. J. Catholic News 7/28/51). What the terrible truth is today perhaps no one knows.

Instead of complimenting Sen. McCarthy, Sheil not only attacks him but constantly pals with the source and direction of Communism — Talmudic Jewry.

His Tribute to Christ or Christians?

I shall leave blank the subject of Sheil's tribute headed: "BISHOP SHEIL, 5,000 PAY TRIBUTE TO —"

To quote: "Bishop Sheil declared that he came here 'to honor and revere, to glorify and immortalize in the person of' — men and women who have made mankind their debtors by the brilliancy of their achievements, by their heroic consecration to the ideals of scholarship and culture." He continued: "it is they more than any one else who dissipate the darkness of ignorance, who let in the light to illumine the pathway of humanity's marching feet. They are the vanguard in the conquering army of progress, civilization, moving ever forward to higher levels of human perfection. They deserve the everlasting gratitude of all men of good will." Before you picture a body of ascended saints and murmur "Amen" the above was directed at the Talmudists personified by that Mephistopholean-looking old goat, Chaim Weizmann, when he came to Chicago in 1940 (Chgo. Herald-Am. 2/1/40). And the old Goat and the 5,000 Talmudists stood up and applauded Sheil, then, we read. He deserved a skull cap.

"Bad Breath" (B'nai B'rith) has turned itself inside out, almost, to "honor" Sheil: "BBYO HONORS BISHOP SHEIL" headed the account of the B'nai B'rith Youth Org. honoring Sheil (Chgo. Examiner 2/24/39). "BISHOP SHEIL PAID HONOR AS LEADER BY B'NAI B'RITH," headed the account of Sheil's speech of acceptance of this honor from the "synagogue of Satan," as Christ put it (Rev. 2: 9; 3: 9) (Chgo. Times 12/20/38).

But Sheil's devotion to Judas-ism has not stopped at the door of the synagogue, he has gone right on in. Not only in, but as part of the sin-agogue services! "BISHOP SHEIL WILL SPEAK AT CHANUKAH FETE MONDAY," headed the report that the honorary international head of B'nai B'rith, Alfred M. Cohen of Cincinnati, O., and Bishop Sheil "will be the principal speakers at the Chanukah festival . . . held under the auspices of

## TERRORISM

tation that many citizens who lack time to get all the facts for themselves, have been deceived by slanted news and propaganda into believing that maybe McCarthy is a menace.

We in the National Economic Council know what it is to work under a campaign of smearing. With us it started in 1934 when we began to fight Communism, though what we have been through is as nothing to what has been rained upon Senator McCarthy.

In the campaign to smear the Wisconsin Senator, even the White House itself has been persuaded, at least by indirection, to take a part. This simply reflects the degree of toleration of Communism that has penetrated all departments of Government and every medium through which ideas are communicated. The men who pull the strings in the Executive Branch, and some even in the Congress itself, are hell-bent upon destroying McCarthy, for they know if they do not destroy McCarthy, he will bring about exposures that involve many more of the men now or formerly high in Federal office, or among their "advisers."

To those who would inform themselves we commend **The Web of Subversion**, a concise, penetrating book by James Burnham. It reviews many of the Communist and so-called Fifth-Amendment cover-ups, who over the years have worked their way into high positions of government, even, as in the case of Lauchlin Currie, who was Executive Assistant to President Roosevelt—and then was transferred into a lucrative job for the Government of Colombia.

The Burnham book makes clear that even now all or nearly all Departments in Washington are infiltrated.

Many Congressmen, even some of the very members of McCarthy's Committee, have succumbed to the imagined political advantage of smearing McCarthy. We think all of them will live to regret their mistake. But, some may lack the moral and political courage of former New York Congressman John J. O'Connor, who years after the event publicly apologized for his part in crucifying Dr. William Wirt, the Gary, Indiana, educator who publicly put his finger on the Communist conspiracy as early as 1934, and was hounded to death for his pains.

As we write in the month of April, what may be called the Communist Alliance has halted all investigation of Communist activities by the McCarthy Committee. The Committee actually passed a resolution to conduct no further investigation into Communism until the "charges" arising between McCarthy's aides and the Army had been investigated.

So the situation became just what the Communist-sympathizing crowd wanted. They have been in no hurry to push the investigation of the "charges."

Some Democrats and some Republicans have acquiesced in the smear. The Democrats may think it "good politics." But for the Republicans it is the height of folly. They seem not to realize that in opposing the greatest foe of Communism they are aligning themselves with Communism. They are joining in the attempt to destroy the Senator who in 1950 and 1952 was more sought after by Republican nominees for the Senate, to speak in their several states, than any other man. And he will be even more sought after in the 1954 campaign.

Due to the Republican wavering in the matter of McCarthy, representative government in the United States hangs in the balance today.

The second factor the American people should fear is the consequences if they fail to force through the Bricker Amendment. The wisdom of those millions who understand what is at stake, was reflected in the fact that in spite of the full force of the Executive being thrown against the Bricker Amendment, along with that of Communists, Socialists, internationalists, do-gooders and others, yet the Bricker-George Amendment came within a single vote of securing the necessary two-thirds vote in the Senate.

Much misrepresentation, if not downright falsehood, was used to stop the Amendment. It was dubbed the Amendment to limit the President's treaty-making power, which was false. It would have made no difference whatever in the President's power to negotiate and sign treaties that dealt solely with foreign policy. It did

the Chicago B'nai B'rith Council . . ." (Chgo. Trib. 12/16/38). About that time the nickname of "Rabbi" Sheil became fastened upon him by disgusted faithful in his church.

Chanukah is the time when card playing, gambling with dreidles or tops, and cheese dishes are featured. The top (also called "drehdel, trendle, galgelon") is square with a wooden pin top and bottom; on each side is one of four Hebrew letters: Nun, which if it comes on top means you get Nothing; Gimmel, on top, gives you everything; He, on top, gives you half; Shin, on top, makes you give more, or put in more.

The cheese feature is in honor of Judith, a character who supposedly fed the enemy warrior so much cheese when she went into his tent, that his thirst caused him to get drunk on wine, whereupon she cut off his head with his sword and carried the dripping object around the camp to dispirit his men. Pretty story—to the Talmudic mind.

### Red Rabbis

Of the Red Rabbis, none was ever Redder than the late Stephen S. Wise. Even the American Jewish Year Book obituary eulogies of Wise point out that he refused (after the Jewish line changed and Russia was then to be set up as our "Enemy" for tactical purposes) to alter his pro-Soviet public utterances. He had hailed the Red Russian Revolution at its celebration in Carnegie Hall as the greatest accomplishment of the sons and daughters of Israel (N. Y. Times 3/24/17). "I will not be silenced!" were the last words this writer heard Rabbi Wise speak publicly, and they were most typical," wrote the Rabbinical author of a fervently admiring obituary article on Wise (Am. Jewish Yr. Book, 1950, p. 517). More than even Chaim Weizmann and Rabbi Abba Hillel Silver, we are told, Wise represented Zionism in the eyes of the whole world.

Since Bishop Sheil gave "Divine" status to the old Goat Weizmann, it is not strange that he should also have honored Red Rabbi Wise's American Jewish Congress. Wise headed this until his death. Wise was also a committeeman and speaker for the most treasonable outfit ever set up in this country, the American League for Peace and Democracy, which advocated treason, mutiny and sabotage in the armed forces to turn war into Red revolution and make this country the USSA (United Soviet States of America).

### All Honored Rabbis

Along with "Rabbi Isaac Alkalev, former chief rabbi of Yugoslavia, and Rabbi Joseph Shubow of Boston," Bishop Sheil was "one of the principal speakers Sunday at the ninth annual conference of the AMERICAN JEWISH CONGRESS" (Chgo. Daily News, 3/31/43). Wise was alive and active then, and probably beaming on "Rabbi" Sheil?

Perhaps the pain of seeing what a large proportion of Red traitors turned up by the McCarthy and Velde committees are Jews, is just too much for Bishop Sheil?

Abram L. Sacher used to head the Hillel Centers (now in more than 200 American colleges) of B'nai B'rith. Hillel was the Babylonian Rabbi who was teaching Pharisaism in Palestine at the time of Christ. His words, written down in the Talmud are golden "gospel" to Talmudists. He made "easy" decisions in contrast to his contemporary, Shammai's "harder" ones. They usually differed on such details as the age of the son in the matter of lewd relations between mother and son. Shammai held that such relations left the mother "pure" and fit to marry a High Priest only up to the age of eight for the boy. Hillel held they were blameless if the boy is up to 9 years and one day. Both flouted the Biblical commandment of Moses they were "interpreting": that a priest must marry a woman of good character, not a whore. But a mother who would degrade her own son ranks far below a "whore."

The above Hillel Foundation head, Sacher, then went to head the Jewish Brandeis University. I have before me

close the gap in Article VI of the Constitution which allowed the Constitution to be amended by treaty.

The Bricker Amendment makes clear that neither the UN nor any other international agency could take any action that would affect America's control over her domestic affairs.

But the internationalists and One Worlders—those who would hand over the sovereignty of the United States to the control of the 60-odd other nations of the world—hit upon a way to amend the Constitution by taking advantage of an oversight in Article VI. They found that all they had to do was to get the Senate to ratify a treaty or an Executive Agreement; for Article VI, Section 2, provides that a treaty once ratified supersedes state constitutions and statutes, as well as federal statutes, and becomes part of "the supreme law of the land."

the sweetest picture on the front page of Sheil's diocesan paper (1/30/53, part 2, New World). It shows Sheil with Sacher as they "confer over establishment of a Catholic Youth Organization scholarship at Brandeis by Bishop Sheil." All to help the Christ-hating Talmudists whose aim is to end Christianity!

No wonder Bishop Sheil objects to investigations of Communism. A stack of clippings several inches deep show that he has associated himself with leading pro-Red outfits and individuals down the years. One Jewish paper after another has eulogized him. I went out to his Friendship House—there was "Black Boy" by the communistic Richard Wright being featured. I went to his Cathedral Library and issued a bulletin on the Red books found there. No book was to be found which was on the side of the persecuted Spanish Christians, but one in favor of the persecutors, the Red Christ-hating commies and their Jewish commissars, who disemboweled nuns and killed those in religious habit on sight. I visited Spain and the battle front during the Red revolutions there in 1938, went down the battle front in a camouflaged car, and saw one wrecked Christian church after another. The statues of Holy personages were demolished. Christ's eyes were gouged out. The bones of the gentle teaching nuns were strewn on the altars. I took motion pictures as little Spanish boys looked on, of the opened coffins of Dominican nuns in connection with the church at the town of Fuente Todos, the home of the ether Goya. Their full skeletons are visible. They were ripped apart from sheer sadistic hatred of Christianity—they had never taken part in politics. They taught little girls needlework, and prayers.

### Sheil Attacked Fr. Coughlin

Many will never forget the vicious attack Sheil made upon Father Coughlin in a nationwide radio address. Sheil viciously attacked anti-Pharisaism and called Fr. Coughlin an "emotional charlatan," accused him of "selfish political ambition," impeding "our democratic process" by "floods of letters and telegrams" which "reflect only uninformed emotions and only confuse those who are trying to find practical means to retain peace." The Reds were happy to circulate THAT radio address of Sheil's.

I listened to the late Rabbi Solomon Goldman hold forth in his Chicago synagogue lecture for three hours of a supposed review of his friend Sholom Asch's book "The Nazarene." This is covered in my OCTOPUS along with Goldman's Red record. He said Jesus being a bastard tried to find himself a father in heaven; that Asch, after building up the voluptuous physical beauty of Mary Magdalene had lacked the moral courage to state his own conclusion that there was an affair going on between her and Jesus; that Nowaki's life of Jesus was a much sounder book. In it, Judas told Jesus: "I see you are a fake, Rabbi, who can neither save yourself nor your people from the Romans"—and went out and did his heroic duty by reporting Jesus to the Sanhedrin. Before me is a large picture of Sheil sitting on one side of Chaim Weizmann, and Rabbi Goldman leaning forward on Chaim's other side to speak to the beaming Sheil (Chgo. Daily News 2/1/40). Nice company for a "Christian."

### Communist Speaker

When Sheil gathered 4,000 Catholic youths together in their first "Youth Congress of the Chicago archdiocese"—he provided them with Henry Johnson, as speaker. Johnson was first vice-president of the Communist Party's National Negro Congress and nat. director of the CIO Packing House Workers Organizing Committee (Chicago Times 10/4/40).

When John L. Lewis was the darling of the Reds, there is Sheil in open-mouthed grin, paying tribute to Lewis and addressing his gang (Chgo. Am. 7/17/39).

The subsidies of the Communist Garland Fund to the Negro agitating National Urban Lg. are listed in my book THE RED NETWORK. Wm. Z. Foster, Robt. W. Dunn and other Commie directors knew what they were doing. At their annual dinner Sheil is speaker and is awarded by the Nat. Urban Lg. (Herald-Am. 2/23/43).

When Baruch comes out for world control of our Atomic energy secrets and power: "BISHOP SHEIL URGES A WORLD BOARD FOR CONTROL OF A BOMB." (Chgo. Trib. 10/25/45).

### Aid to White-Morgenthau

When the powerful Jew, Henry Morgenthau, was head of the USA Treasury and his assistant, Harry Dexter White, was supposedly playing the traitor to the USA all by his little self—Morgenthau appointed Sheil as his "consultant" as a "\$1 a year man" and Sheil was leaving to consult with that Talmudic crew (Chgo. Trib. 2/13/42). The Talmudic Morgenthau was not looking for Christian advice.

When Temple Shalom in Chicago was celebrating having paid off \$100,000 on its building fund: "The principal address was made by The Most Reverend Bernard J. Sheil . . . Dr. Louis Binstock is rabbi" (Chgo. Sun 10/22/42). Binstock was member of the Communist Party's church burners' N. Am. Committee to Aid Spanish Democracy!

Altho the Decalogue Society of Lawyers is limited to lawyers who are Talmudists, they gave Sheil their 1947 AWARD for his "distinguished service to humanity" (Law Bulletin 2/17/48). As the foundation doctrine of Talmudic Judaism, which is the Tradition of the Pharisees, a mess of Babylonian paganism, is that ONLY TALMUDISTS rank as "men," as human beings—all others have animal rank and are to be liquidated if they fail to serve the humans, the services of Sheil to "HUMANITY" necessarily are to Talmudic Jewry, the sadistic enemies of Christ TODAY.

"PM" which was called "the Uptown edition of the Daily Worker" devoted a "Hats Off" Tribute to Sheil (PM 3/2/44). Sheil's prayers and blessings and endorsement of the Commie-controlled American Newspaper Guild appeared on its strike dodger which I have (April 15, 1939). His endorsement of the very Leftist and Jewish-run ROOSEVELT COLLEGE is like all the rest. Pailing with supporters of Red clergy-killers in Spain, is not the least of his disservices to the Christian world.

Greater love hath no man than that he name an AWARD after his best friend. "B'NAI B'RITH CLOSING SHEIL AWARD LISTS" heads an account that B'nai B'rith "will close its nominations for the Bishop Bernard J. Sheil 'Youth of the Year' award March 6"—which, appeared in the Chicago Herald-American 3/1/53. To have those who are not satisfied to kill Christ ONCE today, but dig Him up and murder Him FIVE TIMES in their "sacred" Talmud, give one such "HONORS" might rather be classified as "DISHONORS" to Christianity and aid and comfort to the ENEMIES of Christ. I am proud that I have never been honored by those who call Mary a whore, harlot, adulteress, and her Son a bastard, whore-house keeper, and even more unspeakable things. No passage is complete and ready for cherishing unless it refers to the privy or the privates. That is the essence of the Talmudic mind.

### Christ-hating Goldman

In my 1941 book THE OCTOPUS (written under a pen

## BISHOP SHEIL AND THE INVISIBLE GOVERNMENT

—(Continued from Page 2)—

name at my husband's request — mistakenly as he now knows), there is about a half page on the Red connections of the late Rabbi Solomon Goldman (p. 35) then this section follows: "Goldman for three hours 2/20/40 in his book review at his synagogue, denounced his radical friend Sholom Asch for 'straddling' and turning out a book, 'The Nazarene,' neither Christian nor Jewish. He blamed Asch for not coming out plainly and denouncing Jesus; for building up Mary Magdalene's voluptuous scented physical appeal and then lacking courage to finish with the conclusion that there was an affair between them. He praised Nowack's 'Life of Jesus' which he explained shows Jesus as a bastard dreamer and Judas Iscariot a hero who, after he saw that Jesus could not free Israel or Himself from the Roman yoke, said, 'I see, Rabbi, you are a fake,' and then did his duty to Israel by betraying Jesus." Then my account of how and why Goldman's own B'nai B'rith was selling the Asch book follows. To quote B'nai B'rith: "A secondary purpose of the story is to destroy all theological and political reasons for friction between Jews and Christians." My own comment was: "The only cause for friction, the 'unbridgeable chasm,' as Goldman put it, between Jewry and Christianity is that Jewry will never accept Christ as Divine. Acceptance of Christ's Divinity IS Christianity. Without it Jesus becomes just another 'Rabbi'... perhaps a racketeer..." Anything reflecting on Christ's Divinity helps to Judaize Christians.

### Sheil His Pallbearer

Bishop Sheil was not just an ordinary pallbearer for Rabbi Goldman. He was an HONORARY pallbearer, as the Chicago Herald American editorially, gushed, May 19, 1953. This fact was brought in to illustrate how universally the Rabbi was loved — this fine red rat!

If I live to be a thousand years old I could never forget those three hours I spent in Goldman's synagogue noting the burning eyes, the efforts at self-restraint (for fear he might have Christians in his audience), his desire to prolong and prolong the stifled hatred, the loathed subject he dared not give free reign to. He seemed like a banked furnace, keeping the flames inside, longing to let go and blaze his hatred to heaven.

### Turns Nuns Over to B'nai B'rith

I attended, as day scholar, a Convent school where the dear nuns gained my undying admiration. I spent two summers at an Indian reservation convent and saw the selfless toil those dear saints put into saving Indian souls. And the dear old Franciscan priest, who came to his parish house quarters between long hard trips thru the northern woods, had to get special permission to wear socks and a beard so his feet and face would not freeze in 45 below zero temperatures. Now there just isn't any explanation other than love of Christ that will make gentleness forsake family, friends, a home, and wash for Indian children in a rickety old kitchen where their feet would freeze to the floor as they were doing this menial work. They were so thrilled over the dolls my mother and I dressed for every little Indian girl, they sat up most of the night exploring the pockets with miniature handkerchiefs and a real live penny, we put in each dress, etc., so they told me.

I am fresh out of words to express what I am thinking as I look at a good-sized newspaper picture of a group of sweet faced nuns — getting WHAT? GETTING TRAINING BY THE ANTI-DEFAMATION LEAGUE OF B'nai B'rith.

"SCHOOLS LAGGING IN FIGHT ON BIAS, Teachers at Sheil Workshop Told" — is the heading of the article, in which we are told: "The workshop is under the direction of Hans Adler, Anti-Defamation League of B'nai B'rith..." (Chgo. Sun-Times 5/11/53). Even the favorite Jew propaganda stunt of mixing whites and colored is strutted also. At least one colored face is looking at the nuns and under the picture is this: "Clifford J. Campbell (left), vice-president of the Catholic Interracial Council, and Hans Adler, of the B'nai B'rith Anti-Defamation League, address Sheil School of Social Studies workshop." Campbell is evidently colored.

"At Sheil School ISRAEL OFFICIAL SPEAKS TO-NIGHT," heads a report last year about "Yaakov Shimoni," a representative of ISRAEL coming to speak at the Sheil School (Chgo. Herald-Am. 4/17/53). But why go on? Look up the records for any year and it is like this: "B'NAI B'RITH AWARD TO CATHOLIC BISHOP" — and, of course, the bishop is Sheil (Jewish Voice 7/20/51). Wherever a Jew is being honored, there is Sheil right up front. A Jewish captain by the name of Jerome D. Solomon was being given a memorial service. The account starts out: "Bishop Bernard J. Sheil, auxiliary bishop of Chicago; Dr. Karl A. Meyer... and Dr. Morris Fishbein... will be among the speakers" (Chgo. Herald-Am. 9/19/45). But in closing, I see that I omitted from the speech of Sheil in honor of Chaim Weizmann perhaps the most significant line of all, which makes one wonder why Sheil fails to join the "synagogue of Satan." Referring to Jews, he said: "It is they more than any one else who dissipate the darkness of ignorance, who let in the light to illumine the pathway of humanity's marching feet. THEY ARE THE BRIGHT STARS OF HOPE SHINING IN THE SOMBRE SKIES OF HUMAN DESTINY..." (Chgo. Her-Am. 2/1/40).

Sheil should make good, become a Talmud "scholar" and earn the official title of Rabbi — then he can sink Jesus "in dung to the armpits" twice and murder Him FIVE times along with his stars of LIGHT — Lucifer's own. Lucifer means light-bearer.

## MORE ABOUT EDWARD R. MURROW

Our Issue 204 carried an article showing that Mr. Murrow, who attacked Senator McCarthy, is a front for Jews. In that Issue we quoted the New York News of March 28, 1954, to the effect that John A. Aaron was responsible for Mr. Murrow's programs and Donald J. Merwin is Murrow's assistant. He operates between two Zionists.

EDWARD R. MURROW

There is more to this story of why Murrow could not refuse to use his position to attack Joe McCarthy. Columbia Broadcasting System, which employs Murrow, is Jewish owned. Everyone knows that all important Jewish organizations and publications are out to scalp McCarthy. It is interesting to note that years back, Paramount Pictures, Inc. owned 50% of C. B. S. stock. A. Mr. Palinsky, Jewish cigar maker in Chicago, was involved in a labor strike at that time, closed his business, and opened a cigar factory in Philadelphia. His cigar was La Palina. He made millions. Lehman Bros. sold Paramount's C. B. S. stock to Sam. Palinsky for his son for five million dollars. The name Palinsky was changed to Paley. C. B. S. over which Murrow propagandizes is owned by Herbert Lehman (Marxist enemy of McCarthy), Paley (Palinsky), and it is understood that another Zionist, John Hertz of U-Drive It Cars and Yellow Cabs and a partner of Lehman Bros. is also part owner of C. B. S.

Lehman Bros., Jewish Bankers, in effect control C. B. S. Is it any wonder C. B. S. is unfriendly to Sen. McCarthy? After Murrow had promoted student-and-teachers pilgrimages to the Communist Soviet Union, he was picked up and sponsored on C. B. S. by the American Oil Co. which is owned by Jacob Blaustein, who is also head of the American Jewish Committee, which co-operates with the A. D. L. and fights McCarthy week in and week out.

There you have it. Dig deep enough behind every Gentile who fronts for Marxism and you find the Jew. This will be true if the brains behind stooges Army Secretary Stevens and John G. Adams, Army Counsel, are uncovered. To prevent them from being uncovered, the Invisible Government is determined to destroy Senator McCarthy. Who is one of the brains behind Stevens? Can you guess her name? Could it be Anna? We are certain it is.

No newspaper carrying advertising dares print above facts. Yet no newspaper dares deny these are facts. Solution: a strong Common Sense with half a million readers.

## BISHOP OXNAM

—(Continued from Page 1)—

critical of his country, as he was when he intimated that the United States had gone into Mexico to steal oil land. Oxnam is much more critical of Wall Street and "big business" than he is of the devil. Such an attitude is not easily understood in a minister. Of course *The Washington Post* is his enthusiastic defender and ally in these matters but that does not save the Bishop. It rather damns the Bishop in public opinion.

A fine illustration of the attitude of *The Post* is found in the praise it enunciates relative to The American Civil Liberties Union. It commends Oxnam for his support of that body. It calls that organization "an honorable, respected and extremely useful organization." The least we can say is that some of us positively think otherwise. I doubt if there is an organization in America upon which the Russian Communist groups lean so heavily. Under the cloak of free speech and civil rights, this organization is often found fighting the battles of subversive groups. Many of those who make up this organization are not Communists. They carry no cards. They are possibly more useful than if they did carry cards. They constitute the opening wedge for the activities of liberalism in this nation, while liberalism is the acknowledged hope of Communism.

It must be remembered that Mr. Jackson and Mr. Velde and other men on the Committee on unAmerican activities are appointed by Congress and given a job. In their attempt to do that job they run up against the open activities and hostile criticism of Bishop Oxnam who has recently been appointed to the Washington, D. C., Area, many believe, for that express purpose. He is a Methodist Bishop who has fought the Committee on unAmerican Activities from the start. Explain it as you may, but for some reason, Bishop Oxnam has always opposed vigorously those efforts of Congress that might expose subversive agencies.

Therefore Representative Jackson is not to be judged too harshly for having lost all patience when the Bishop renews his attack almost as soon as he arrives in Washington. Remember that the Bishop struck the first blow in this quarrel. Undoubtedly, Bishop Oxnam has succeeded in misrepresenting the Methodist Church on this question and has caused our church to be grievously misunderstood all over the nation. Whether he manipulated this new appointment to Washington for the purpose of continuing more effectively such a course, we will possibly never know. Thousands think he did. Mr. Jackson is himself a Methodist and together with other Methodists who are loyal to their country, his patience has been sorely tried.

I have carefully read Bishop Oxnam's seven page defense in *The Christian Advocate* of his relationship to Communism. It is not only voluminous but is damagingly voluminous. Never before, so far as I can determine, has *The Advocate* given seven pages to the defense of any man. When *The Advocate* gives that much space to the defense of anybody, it is a sure proof that those who are in charge of the defense feel that their cause is in grave jeopardy and needs everything they can produce. Entirely too much is acknowledged in that defense. Among other things, the following: *The Advocate* acknowledges that *The Daily Worker* and *The New Masses*, both Communist publications, considered Oxnam friendly and often quoted from him. Oxnam does not deny, though he claims he is not thus involved. Again, Oxnam acknowledged in *The Advocate* defense that he has belonged to and been associated with numerous Communist front organizations and movements designated as subversive, but claims that he has resigned and withdrawn from them one by one. The question is, why did he ever belong? Is not this the Communist line, which is at the present moment advising Communists to cease active membership and go underground?

In the third place, *The Advocate* defense definitely places the Bishop in opposition to capitalism and critical of our national policy relative to military preparedness, seeking to justify these positions. Fourth, *The Advocate* defense acknowledges that Oxnam has associated with numerous pro-Communists, has sent out literature of subversive character and has favored the Communist efforts in Spain and other countries. Here again, *The Advocate* defense seeks to justify the Bishop. Fifth, *The Advocate* defense of the Bishop concedes that he has backed men like the notorious Bridges who are well known in their Communist activities.

No honest man can read this *Advocate* defense and not be convinced that something is wrong. No man who is right and innocent of the charges that are now being made all over America needs seven pages in *The Christian Advocate* to set him right and clean up his record.

Bishop Oxnam is a very smart man, possibly the smartest man in the College of Bishops of the Methodist Church. He does not blindly stumble into the many associations and positions and attitudes that are conceded in *The Christian Advocate's* seven-page article. He does not have to get into this and that mess, out of which he must back by resignation and explanation. He is certainly not that dumb. We do him credit by saying that he has not been victimized into these various predicaments denoted by the seven pages of explanations, some exceedingly lame, in *The Christian Advocate* of May 14.

Having known Bishop Oxnam for 33 years, I can with authority say that he has always been on the radical side. He has always been a liberal of the liberals. I have never known him to side with conservatism. Whether he is sympathetic with Communism or not, *The Daily Worker* and *The New Masses* believe he is. They do not often make mistakes as to their friends. The record Bishop Oxnam has made for the 33 years that I have known him is terrific. The very fact that *The Washington Post* rushes to his rescue in this emergency is conclusive.

We are certain that Russia is not displeased with the attitude of the Bishop. The Editor of *Pravda*, reading the seven-page defense in *The Christian Advocate*, would no doubt smile knowingly.

Finally, as the pastor of one of the most prominently known Methodist churches within the nation, I wish to commend Congressmen Velde and Jackson for their straightforward battle against Communist aggression, both within and without this nation. They are doing their job well. There is no legitimate reason known to mortals why men in public life, even in the ministry, should not gladly say whether or not they are or have ever been Communists. When they refuse, there's something wrong. My hat is off to any man in Congress who does his duty, as Velde and Jackson are doing theirs, in spite even of seven-page articles in *The Christian Advocate* or elsewhere.

## Gallup Poll Shows Majority of Gentiles Favor McCarthy

Following statistics based on most recent Gallup Poll

	APPROVE McCarthy	DISAPPROVE McCarthy
Catholic.....	72%	28%
Protestants.....	64%	36%
Jews.....	17%	83%

## But Jews Oppose McCarthy by 4 to 1 Ratio

The above statistics are based on the latest Gallup Poll, the results of which were announced last month. The percentage shown here apply to the 80 million adult Americans who hold an opinion regarding Senator McCarthy, either pro or con. As these statistics plainly show, American

Jewry is almost unanimously opposed to Senator McCarthy. Virtually four out of five of those Jews expressing an opinion evinced hostility toward the Senator from Wisconsin. By contrast, almost two-thirds of the Gentiles who expressed an opinion on the subject APPROVED of Sen. McCarthy.

While the Poll shows four out of five Jews oppose McCarthy, 99% of the Jewish organizations and publications are fighting the Senator.

## RED HIGHLIGHTS

Clarence Manion, recently fired from his government job as Chairman of the Commission on Intergovernmental Relations by Eisenhower for supporting the Bricker Amendment, was replaced by Meyer Kestnbaum, "Jew" . . . Samuel Reber, who worked over 25 years inside the government before he was allowed to resign when the Un-American Activities Committee was ready to interrogate him as a security risk, and his brother Gen. Miles Reber, liaison officer between the Army and Congress for the past 10 years and who handled 1,000 cases a week relating to requested special treatment for Army personnel, are both secret "Jews" . . . One authority's opinion on the recent McCarthy hearings with the Army is that it is staged for the purpose of taking the attention off what is going on in Indo China and Geneva. In short the groundwork for World War III is being quietly laid . . . When supporters of Sen. McCarthy requested to have Joe's picture placed on the City Hall in Newark, N. J., for his May 6th speech in the city the request was turned down. However, not so long ago the same city hall was draped with signs announcing the Hadassah (Jewish Women) festivities . . . Alfred G. Katzin (Jew from Africa) former U. N. - Korean Representative was named by Sec. Gen. Dag Hammarskjold to have charge of all U. N. personnel.

At the official U. S. Government ceremony launching the new 8c stamp recently issued with the inscription "In God We Trust," Rabbi Norman Salit, president of the Synagogue Council of America took advantage of the situation to insult the Arabs. The Arabs walked out and subsequently the "Jews" apologized with tongue in cheek . . . The Democratic nominations in California for the U. S. Senate, where James Roosevelt starred, was a test to see if the American people were ripe for a Communist slate. The slogan "Send Jimmie to Washington for the wife you save may be your own," was an ironical campaign twist which helped to prove that California was not quite ripe . . . Jawaharlal Nehru, Prime Minister of India, and self acclaimed RED ruler of the East, refused to allow U. S. planes to fly over his country. With this in mind Uncle Sap should remind himself the American people have donated \$290,000,000 to this Moscow-lover in the last three years, and Ike's Administration has been proposing a new loan of \$85,000,000 . . . Thursday, April 22nd, a page ad headlined "STAND UP AND BE COUNTED FOR MCCARTHY" was inserted in the N. Y. Journal American to run the five editions by the National Economic Council, and signed by a group of businessmen. The ad ran in the first two editions and half way through the third when the order was given to the pressroom to hold up the press and take the ad out. Invisible Government in action . . . Herbert Lehman introduced a bill to block the deportation of Martin Madden, ex-convict with a criminal record a mile long. It would be interesting to know why . . . Edward R. Murrow praised Prime Minister Nehru of India as a misunderstood patriot over his radio program. Murrow is not "Jewish" but the answer to his leftist leanings is due to the fact that the owners of CBS are Herbert Lehman and William Paley (Palinsky), both "Jews." John Hertz, "Jew," is also said to have stock in the company.

Msgr. Thomas J. McMahon, who heads a special Vatican relief mission in the Near East attacked Israel for a proposed law now before the Knesset which would prosecute parents who send their children to mission schools (Christian schools). He also accused American daily papers of distorting the view of the Holy Land situation to many Americans. Didn't you know, Monsignor, that most of the daily newspapers in America are "Jewish" owned or controlled through advertising? CINCINNATI — The Telegraph-Register attacked the Jewish state for the Israel law to penalize all "Jewish" converts to Christianity who do not publish the facts of their conversion in the press. (When the facts

are published in the press, then they can be intimidated and persecuted by their former co-religious) . . . During the Investigation of Communists in the U. N. Morris Kaplan, "Jew," was asked a question relative to Communists in the U. N., and we quote Kaplan's reply from the Congressional Record: "I only made this observation that the tribunal would be violating its function as a tribunal if it engaged in any inquiry directed to a political association by reason of the limitations on the tribunal imposed by the charter of the United Nations, which grants complete political freedom of association to any person employed at the United Nations barring Nazis and Fascists" (Emphasis ours) . . . The Jewish Examiner of Brooklyn, N. Y., says "Conde McGinley's Common Sense is being widely distributed through the mails, according to reports from many sections of the country" . . . A letter from Sen. Potter from Michigan to Sec. Stevens stirred up the recent McCarthy fracas, and now comes the information that Lewis Berry, Jr., Potter's campaign manager, was appointed last January to the \$12,000-a-year post as assistant counsel to the Army under John G. Adams (Anna M. Rosenberg appointee) named by McCarthy as one of the men who attempted to hamstring the Senate Investigations of the Army.

### WHEN FREEDOM IS NO MORE

Behold the mighty millionaire  
Bernard Baruch the Jew,  
"Adviser to our President"  
And "Elder Statesman" too.

His wisdom spoken of at large  
Like glittering gem and pearls  
Falls freely from his kindly lips  
Like peanuts fed to squirrels.

This kindly gent, through his advice  
Has brought no end of woe,  
And debt, and human sacrifice  
That only God can know!

No love for Jesus Christ has he,  
This venerated Jew.  
Yet politicians bend the knee  
Not knowing what they do.

With all the Rockefeller gold  
And all the Rothschild horde  
How easily could peace abound,  
Tranquillity restored!

But evil men in quest of power  
Lead Christians into war,  
To hasten that ungodly hour  
When freedom is no more.

### "OUTLAWING GENOCIDE"

THE "JEWISH CHRONICLE" (LONDON), dated Friday, November 28, 1947, page 1, published the following:

"The general assembly of the United Nations resolved last Friday (Nov. 21) to take vigorous action for bringing about an international convention to outlaw Genocide as an international crime. Offenders are to be subject to the Nuremberg penalties."

### MCCARTHY METHODS CONDEMNED BY JEWISH WAR VETS

WASHINGTON — The Jewish War Veterans charged Sen. Joseph R. McCarthy with "needlessly complicating and endangering the fight against Communism through the use of methods which savor of the practices we condemn in totalitarian governments of both the left and the right."

A statement here by Harry T. Madison, of Detroit, newly-elected national commander of the JWV, assailed the Wisconsin Senator for instituting investigative procedures "that in a number of instances have led the public to accept mere accusations as evidence of guilt."

### IKE PLACES KESTNBAUM IN CHARGE OF TAX POLICIES

By EUSTACE MULLINS

Readers of Common Sense will remember that Clarence Manion, former head of the highly important Commission on Intergovernmental Relations, was kicked out by Eisenhower because Manion was an outspoken patriot who fervently believes in the hereditary independence of these United States of America. Manion spoke out for the Bricker Amendment, which would have limited the President's powers to make secret agreements with other powers, behind-the-doors diplomacy to help the State of Israel, or secret pacts with Communist Soviet Union as Roosevelt did.

Now Eisenhower, true to the Marxists who started the ball rolling for his Presidential nomination, has named Meyer Kestnbaum to take Manion's place as head of this important commission, which will determine future taxation policies. Head of Hart, Schaffner, Marx clothing firm, Kestnbaum is also head of the Committee for Economic Development, a Jewish organization which decides future economic trends of the United States and gives the word to the Federal Reserve Board. A top-secret organization, it usually works behind the scenes.

This is a real democracy in action. The patriot Manion, a Catholic, is kicked out and replaced by Kestnbaum, an internationalist, as all Jews are. Homeless cosmopolitans, they owe loyalty to no nation, but only to their international state of Talmudic Judaism, which is not a religion but a potent political force based on hatred.

Eisenhower, the first President to join a church AFTER he was inaugurated, feels more at home with multi-millionaire Jewish tailors of the Kestnbaum type than with devout patriotic Americans like Manion.

### RABBI CALLS ON EISENHOWER TO DEEEND AMERICAN RIGHTS

(Reprinted from New York Herald Tribune, March 14, 1954)

Various aspects of the problems raised by Sen. Joseph R. McCarthy's investigation into alleged subversives were discussed yesterday by Rabbis in their sermons in synagogues and temples.

The Rev. Dr. Joseph Zeitlin, preaching at the Riverside Synagogue, called on Pres. Eisenhower to speak in defense of certain basic American rights which he said are being threatened . . .

Rabbi Louis I. Newman in his sermon at Temple Rodeph Sholem said the time has come for an end to the accusations by Congressional committees of the Administration . . .

Rabbi Zev Zahavy, at Congregation Zichron Ephraim said that "one of the most unfortunate and nasty results of the McCarthy's crusade for self-glorification" is a type of "anti-Semitism by insinuation." McCarthy's campaign of half-truths, innuendoes and bold accusations has created a national atmosphere of mental confusion and false assumption. . . .

Dr. William F. Rosenblum in his sermon at Temple Israel warned that the public is getting so much news of what is wrong with America that our people, particularly our youth "may get the impression that nothing is right with our nation."

### THE MYSTICAL BODY OF CHRIST IN THE MODERN WORLD

By DR. DENIS FAHEY, C. S. Sp.

Father Fahey in his book "The Mystical Body of Christ" deals at length with the various forces which at present menace the divinely-constituted social order. His work is a most important one. Never before, since the establishment of Christianity, has there been such an organized effort to overthrow it, to dethrone Christ, to set aside God and the order which He has established. In some countries, notably Soviet Union, Mexico and Spain, the veil of secrecy has been withdrawn; in many others the same Zionistic and Communistic influences are at work, but their activities are to a large extent underground. The knowledge behind this veil of secrecy is to be found in Father Fahey's book. In fact, nowhere else is there such a logical, co-ordinated treatment of the subject. A notable feature of the work is its excellent documentation.
